

CHIEF TAHGEE ELEMENTARY ACADEMY

34 South Hiline Road

Fort Hall, Idaho 83203

POSITION ANNOUNCEMENT

Blended Learning Technician/ Facilities Maintenance

The blended learning Technician/facilities maintenance will facilitate and oversee a computer lab and maintain CTEA facilities. Provides attention and support for the students learning cycles in the CTEA e-learning lab, a virtual learning center. The blended learning technician will work to troubleshoot technical problems, teach students how the learning system works, promote student-teacher communication, and motivate students to facilitate successful completion of interactive courses at CTEA.

Facilities maintenance will include but not limited to daily maintenance of classrooms and staff offices, bathrooms, and common areas. Plus seasonal maintenance projects to be assigned as needed. S/he will be tasked with various facility maintenance assignments as campus appearance and upkeep is necessary.
